Kendal Fellwalkers have different grades of walk:

A\*\* - These walks include some activity which is outside the remit of normal walking (Grade 2 scrambles/icy ridges/snow gullies etc.). When joining one of these walks each person participates at his/her own risk, is totally responsible for his/her own actions and takes part only on the understanding that no liability whatsoever shall be construed against any other participant or organiser for actions (or lack of actions) undertaken in good faith.

A - A brisk pace; usually between 12 and 18 miles, but occasionally greater. The total ascent may be over 5,000 feet.

B - A steady pace; usually between 10 and 14 miles. The total ascent is typically between 3,500 and 4,500 feet.

C - A moderate pace; usually less than 10 miles. The total ascent is typically up to 3,500 feet.
