

## Kendal Fellwalkers Club Meeting Point at Cumbria Wildlife Trust's Plumgarths offices

The Kendal Fellwalkers meet in the main car park of the Cumbria Wildlife Trust's offices on the B5284 near the Plumgarths roundabout and shown by the arrow below.

The postcode for satnav is **LA8 8LX**.

From Kendal, take the A5284 Windermere Road to the Plumgarths roundabout junction with the A591 and take the second exit towards Crook. After 200 m turn right through the stone gateposts into the Cumbria Wildlife Trust, just past the Gateway Inn.

From the M6, take the A591 northbound and stay on this road past Kendal until you reach the Plumgarths roundabout: do not take the Kendal South exit.

On the Plumgarths roundabout, take the exit signed B5284 to Crook and Hawkshead.

Drive past Low Plumgarths farm on your left and turn right about 200 m from the roundabout into Cumbria Wildlife Trust's premises, just before the first left-hand bend.

Turn first right into the main car park which is where we meet.
